President's Blog

Hello everyone and welcome back - I hope everyone enjoyed their Easter break with family and pets alike.

I would like to welcome both our old and new members to the club, as we start another term of training. Well done to all those members who are returning to training classes and I encourage you to further your training with the club. For the new members, you are about to begin a wonderful journey with your dog.

Did you know that each time you come to training and assessments, the instructors get together to determine if there is a shining star amongst you?

At the end of the year, we look back at our members to review their attendance and their handling skills. This goes towards our end of year awards, Best Lady Handler, Best Gentlemen Handler, Best Junior Handler to name a few. If you want more information on this, please visit our QDDTC Annual awards criteria guide on our website under Awards & Results.

We held our 2nd Fun Day in Term 1 and by all accounts it was enjoyed by all. By adding other fun activities into your training it provides a break from the sometimes mundane tasks like heeling and sit. Although training these are important, it is equally significant to keep yourself and your dog involved and enjoying training. This is what brings you both together and can reduce the stresses we put on ourselves.

We have a couple of important activities happening this term. One is organising a sub-committee to work on NSW and Council Grants. Thanks to Ros who has put her hand up to help out. We really would like a couple more members. So if you can spare some time and would like to get involved, please talk to any one of the instructors.

The other activity that is happening this term is the Working Bee. We have some general maintenance and planting to do. We will have more information to you all soon. So please keep an eye on our facebook page.

Again I have to thank the instructors who helped out each term, providing their time and skills to the club. Without the dedication of these members, activities like the Fun Day and Assessment day, would definitely not run as smoothly.

Once again remember to have fun and enjoy the term and remember if you have any questions, please speak to any one of the friendly members in RED shirts.

Your First Obedience Trial

The decision to enter your first obedience trial should be the culmination of sufficient training to ensure that competing is a happy and rewarding experience. These factors will help:

1. to be in touch with current ANKC Obedience Rules
2. you have trained your dog to the best of your ability
3. you have run through the exercises under mock trial conditions at your local dog obedience training club

What the judge is looking for:

1. enjoyment and willingness to work; fear and dislike of work shall be penalised
2. gentle and smooth handling
3. a handler shall give a command once only, except in the case of the command "Heel" which may be repeated to the dog each time the judge tells the handler to go forward
4. talking to the dog by the handler, snapping of fingers, slapping of sides and stamping of feet must be penalised
5. during the Heel routines, the handler must walk briskly with the dog at the left side. In the "Heel on Lead" exercise, the leash must be completely loose. Guiding the dog by means of the leash is penalised
6. the dog must not anticipate the handler's commands but must wait for commands

A very good opportunity to either enter or observe a trial is coming up with the Club's annual all breeds dog obedience trial being held on Saturday 13 July at our Hoover Road Club Grounds in Queanbeyan.

If you are in Community Companion Dog (CCD) level or higher, your dog may be trained well enough to participate. Ask your Instructor for an informal assessment. The CCD competition format and exercises are similar to the Club's CCD class.

What you need to do to enter the Club trial:

- be a financial member of Dogs NSW (if you live in another State be a financial member of its Canine Association) – the State body which oversees the running of each Club's trials;
- have your dog registered with the appropriate section of Dogs NSW (if you live in another State be a financial member of its Canine Association) - (cross breed and non-pedigree dogs are included on the Associate Register). Your dog will get a unique number to identify him/her and record any passes at obedience trials;
- complete an entry form via Ozentries before closing date.

If you want to have a look at dogs doing formal obedience trialling where they can gain ANKC recognised obedience titles, come along on the day, or volunteer to help out.

**If you leave the ring as if you have won the class,
your dog will never know or care**

47th German Shepherd Dog Show and Trial – 5th-7th April 2019

From the 5th to the 7th of April 2019 the 47th National German Shepherd Dog Show and Trial was held in Skye in Melbourne. While the Conformation Show encompassed the full three days, a Rally-O trial was held on Friday and Obedience Trial on Saturday. Approximately 600 GSD's were entered across all three streams of work, and they came from all over Australia.

Our club saw 2 of its members compete in all aspects of this National.

They were

- Karen Hore who entered Jai (CH Hillmagic Platnum Nikosi AZ RN) and Mia (CH Hillmagic Golden Calypso AZ RN),
- Vic Grzeszkiewicz who entered Jaxon (Uhlmsdorf Black Label UD) and Taylor (Uhlmsdorf Taylor Swift UD)

Results for Karen were as follows:

Friday Rally-O

Jai 94/100 Rally-O Advance A – 3rd place

Mia 85/100 Rally-O Advance A – 4th place and her title

Saturday Obedience

Jai 91/100 CCD – 4th place

Saturday Conformation

Jai Intermediate Long Stock Coat Dog - 8th with a rating of Very Good from the German Judge

Karen and Mia receiving their title ribbon from Dawn Frazer, GSDCA Patron

Results for Vic were as follows:

Saturday Obedience

Taylor 194/200 Open - 1st place and an excellent medal

Jaxon 187/200 UD - 1st place.

Saturday Conformation

Jaxon Intermediate Dog – 1st with a rating of Very Good. The German Judge was extremely complementary of Vic and Jaxon after his conformation win, when he found out that Jaxon had also had the win earlier in Obedience.

On Sunday at lunch time the winner of winners was run. This entails all the dogs that came first in each of the Obedience classes (CCD, CD, Open, UD and UDX) to perform a heel pattern, competing against each other for the ultimate Obedience winner. Jaxon again excelled and won winner of winners scoring himself a gold medal.

Just to top off Vic's excellent results at the National, he and Taylor entered a double Obedience Trial at Tuggeranong on Saturday 13 April. Taylor scored 1st place in UD in the morning trial with 193 points from 200, and then in the afternoon UD trial an amazing 200 points for 1st place. A perfect score in UD is nearly unheard of, yet Taylor achieved this with ease. With recent success this now qualifies both dogs for their Obedience Champion titles.

Big congratulations go out to both Karen and Vic for their efforts in training their dogs to such wonderful outcomes. They do the breed and our club proud!

Meet the Instructor: Zoe Tuckfield

Zoe can be found on Sunday mornings helping teams in Beginners, as well as training her own puppy Kelsi.

How long have you been training your dog(s)?

I have been training my dog Kelsi on and off now for almost 10 years.

What do you like most about training your dog(s)?

I love training Kelsi because it creates a bigger bond I have with her. And as she is a kelpie I believe it is important to keep her brain active and to learn new things.

What has been the best bit of advice you've received about dog training and why?

I think it was to have confidence in myself and my dog. This was when I was first training my dog and I wasn't sure if I was doing it correctly but it turns out I was but I just needed the confidence to do the exercises efficiently.

Why did you decide to be an instructor?

I decided to become an instructor because I love to help people create that special bond that the owner has with their dog. I also love spending time with new puppies and getting to know their personalities and learn as much as I can about each dog.

What is your biggest challenge as an instructor?

I think the biggest challenge as an instructor for me is when a dog does not behave as I would expect to certain training techniques. But it is also a great way for me to go talk to other instructors and we learn and figure out a way together.

How do you spend your time with your dog (s) when it's not Sunday morning?

Playing tug-o-war of course! Kelsi's technique is to pull and then lie down and just stare at you until either of you releases. But we also like to relax together so if I am watching TV she will come up and lie next to me.
